RFK Hospital (4500 W 116th St, Hawthorne)

PARKING LOT LAYOUT FOR FILMING

Absolutely no idling of production vehicles on the adjacent streets prior to the opening of the parking lot

Use EXTREME CAUTION when entering or exiting the hospital parking lot due to the proximity of numerous multifamily residences.

The green area is the crew parking area

The red area is for generators or other loud equipment/machinery

The yellow area is for general truck, trailer, and non-noisy/non fuming equipment

All trucks, cars, and equipment should fit easily within the gates of the hospital property.

If spill over street parking is needed productions may use the 250' marked in blue on the southeastern side of the hospital property (Grevillea Ave)

Hawthorne appreciates the continued patronage of the entertainment industry. At the same time, we wish to be good neighbors and ask that consideration is given to the numerous residents located near us. Notification by the production of planned filming of the hospital facilities must be given at least 72 hours in advance to neighborhood residents.
